Criminology One Pager Free Version

Criminology is the scientific study of crime as a social phenomenon, of criminals, and of penal treatment. Crimes are intimately linked to social problems, poverty, governance and national policies which are unique to every country. This makes it all the more necessary to adopt original and indigenous criminological approaches to assess the crime problems. For the same reason Helik Advisory Limited has come up with an innovative Online Virtual School of Forensic & Allied Studies. The very concepts of these innovative Online Virtual School of Forensic & Allied Studies were conceived keeping in mind to provide the best knowledge in field of Criminology to very common man.
